On the left side all the damaged toys
They are all upside down when they look in a spoon
On the right side all the filthy minds
They sold their souls for the cheapest price
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah

What I see I cannot feel at all
We are all lined up
We are all broken inside

On the left side all the damaged toys
They are all upside down when they look in a spoon
On the right side all the filthy minds
They sold their souls for the cheapest price
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah
D’you wanna play with them? D’you wanna it?
Ah ah ah ah

What I see I cannot feel at all
We are all lined up
We are all broken inside

You wanna rock them
You wanna rock them All
You wanna fuck them
You wanna fuck them all
And if the world will come to and end, I’ll be there
But if the world were reborn,
then fuck that

What I see I cannot feel at all
We are all lined up
We are all broken inside

What I see I cannot feel at all
We are all lined up
We are all broken inside
